RIDE ON SQUADS & IN-SERVICE SUPPORT

The SMS Group routinely under-takes multi-trade maintenance and refit activities while the ship is in active service with guests and crew. Consignments of tools and material are sent in advance to the ships turnaround ports, loaded the stored on the ship until the skilled trades team join the vessel.

As per our 'cradle to grave' approach to project management, the SMS team is capable of providing pre-planned and short notice works. We pride ourselves on being able to adapt to the ships daily programs and individual requirements, minimizing disruption to passengers and crew.

THE SMS GROUP OFFERS:

- Repairs & maintenance for both interior and engineering requirements.
- Enabling works for cabling and pipework.
- French polishing services.
- Hard Surface Repair services.
- Leather 'medic' leather repairs.
- Upholstery works including refurbishment and renewal.
- Condition surveys of public and crew areas.
- Decorating services.
- Carpet and flooring repairs and replacement.
- Pre-dry dock enabling works.
- Post-dry dock damage repairs.
- Full scale turnkey refit.
- Electrical and plumbing.
- 'Turnaround' day maintenance.
